PROFESSIONAL EXPERIENCE

Frontend Simplified – Remote

Frontend Web Development Certification Program January 2026 – Present

- Completing structured, project-based training in HTML, CSS, JavaScript, responsive design, and modern frontend workflows.
- Building portfolio projects with clean UI, accessibility, and mobile-first design principles.
- Practicing professional developer habits including Git/GitHub, debugging, and workflow optimization.

M&T Bank – Buffalo, NY

Vice President, Line Manager II — Indirect Services | Call Center Manager 2019 – December 2025

- Led operations within the Indirect Services department overseeing auto, RV, and boat loan workflows, documentation accuracy, and high-volume monetary transactions.
- Managed a call center team handling loan support, escalations, and accurate processing across multiple systems.
- Performed QC reviews to ensure documentation accuracy, compliance, and risk mitigation.
- Analyzed performance data to identify bottlenecks, improve workflows, and maintain service levels.
- Collaborated with underwriting, risk, technology, and branch partners to streamline processes and resolve issues.
- Utilized Power BI to review operational metrics and support data-driven decisions.

Solidifi – Buffalo, NY

Regional Manager 2013 – 2019

- Managed relationships with 200+ appraisers, ensuring service quality, regulatory compliance, and adherence to Appraiser Independence Requirements.

- Oversaw full appraisal order lifecycle including assignment, performance monitoring, quality checks, and escalation handling.
- Served as liaison between field agents, clients, and internal teams to support timely order fulfillment.
- Conducted performance reviews and training to strengthen service delivery and partner engagement.
- Analyzed regional metrics to identify improvement opportunities and support operational goals.

Mueller Services – Tonawanda, NY

Regional Field Services Manager / Quality Assurance Agent 2007 – 2013

- Managed a team of 75+ employees across New York State, overseeing scheduling, performance, payroll, and operational execution.
- Ensured timely and accurate completion of 2,000+ weekly loss control surveys while maintaining quality and compliance standards.
- Reviewed survey reports for accuracy and provided coaching to improve performance.
- Supported onboarding and training to strengthen operational consistency.
- Managed budgets and operational plans to meet expense goals.

GEICO Insurance – Buffalo, NY

Sales Counselor / Insurance Service Agent 2006 – 2007

- Resolved customer inquiries, processed policy changes, and maintained accurate insurance records.
- Performed underwriting tasks to support policy issuance and reduce risk.
- Delivered high-quality service in a fast-paced environment.
